For Stronger Families, Better Communities and a Stronger State!

Youth Opportunity Camp (YOC) is prevention and intervention through direction into positive activities and goals. Horseshoe becomes a home away from home where nutritious, plentiful meals are the norm, healthy routine is part of the program, and every person is accepted and valued. YOC helps children build confidence, develop self-control, get along with others, and set goals. YOC promotes physical and mental activity, good nutrition, school success, positive choices and healthy living. Campers tell their camp counselors that they feel better equipped to do well in school and to make and keep friends after their time at camp. YOC is an investment to create the future!
